

## Cost of Living Hits Lawmakers

### Loud Howl Goes Up In Ohio's Capital

By REED SMITH  
COLUMBUS, Jan. 5.—(AP)—The high cost of living in the state capital is hitting Ohio lawmakers where it hurts. And they aren't taking it quietly.

Most of them set up a howl when they found prices in leading hotels up 30 to 35 percent over two years ago. Some rooms were more than 50 percent higher. And meals were more expensive.

The pocketbook pinch may cause legislators to change the law and boost the monthly pay check they get. It wouldn't increase their \$2,600 a year pay for lawmaking, but it would help out-of-town members on their Monday-Thursday hotel tabs.

Senators and representatives draw \$350 a month—less tax withholding—while the legislature is in session. The balance of their annual pay is prorated over the months between end of the session and the year end.

If the legislature that got under way Monday stays in session for six months, members will draw \$2,100. The remaining \$500 would be split into six monthly payments for the balance of the year.

Travel Allowance  
Out of town members also receive automobile mileage allowance for one round trip each week between their home and Columbus by the most direct route. But they won't get that until this session ends.

The allowance was 6½ cents a mile last session. Members haven't set this session's allowance yet. It might be higher if they follow the local example.

Lawmakers said rooms that cost them \$4 a day last year are \$6 and \$7 now. The cheapest rooms in another hotel are up \$1 to \$2. A suite that used to rent for \$22 now is \$28 a day. And that's with the customary 20 percent discount usually allowed legislators, they said.

Hotel meals are higher, too, they report. Legislators who don't have businesses or professions at home, and depend on their pay to get along in the capital, concede they won't be eating many steaks this session—unless some lobbyist with a fat expense account sets them up.

Still They Complain  
Even legislators who have sizeable independent incomes are complaining. They say the cost of entertaining friends in their hotel rooms is pretty steep. Room service Scotch costs \$12 a fifth and up and other whiskey starts at \$8 a fifth at a leading hotel.

A group of legislators complained to the management of one hotel about prices. They got lots of sympathetic attention but no cut in rates. Some of them said they would move to cheaper hotels and others threatened to live in motels outside the city.

One veteran said there might be a bright side to the picture, however. Lack of enough money may induce legislators to speed up their work and adjourn earlier. The session two years ago ran nearly seven months.

### Funeral Services Held For Alfred F. Parrett

Funeral services for Alfred Franklin Parrett were held Thursday at 2 P. M. at the Parrett Funeral Home here.

Rev. Harold J. Braden, pastor of the First Presbyterian Church here, who conducted the services read from the Scripture, offered prayer and delivered the funeral sermon. The minister also read the two hymns, "Abide With Me" and "Rock of Ages."

The flowers which banked the casket were taken care of by the pallbearers who were: Theodore Samson, John Rogers, Eddie McCoy, Harold Rogers, Emil Holden and Malcolm Parrett.

Interment was in the Good Hope Cemetery.

## Daniel Flee Dies At Columbus Home

James Daniel Flee, 66, died early Thursday morning at his home, 1500 Michigan Avenue, in Columbus.

Mr. Flee was a native of Washington C. H., but although he had not lived here for many years, he still retained many of his old friends.

He is survived by his widow; three brothers, John of Indianapolis, and Harry and Harley, here, and two sisters, Mrs. Mary Ruley and Mrs. Mabel Judy of Washington C. H.

Funeral services, to be held at 10 A. M. Saturday at the Schoedinger Funeral Home on State Street, in Columbus, are to be followed by cremation.

Friends may call at the funeral home chapel from 7 to 8:30 P. M. Friday.

The family requested that flowers be omitted.

### H. L. Lukemire Dies In Cincinnati Hospital

H. L. Lukemire, 88, of Hillsboro, died in a Cincinnati hospital Wednesday night, according to word received by friends here where he was well known through his active association with the Modern Woodmen of America lodge.

Funeral services, they said, are to be held at the Miller Funeral Home in Hillsboro at 1:30 P. M. Saturday. Interment is to be in the cemetery there.

### Visits with Father Of Murdered Woman

Paul Van Voorhis, manager of the City Loan Co., and a resident of 1031 Millwood Avenue, spent Friday in Columbus visiting with his cousin, Clifton Bates.

Bates is the father of Virginia Bates, who was reportedly shot to death in front of her home at 1154 Franklin Avenue in Columbus, Dec. 4, 1950.

## Tiny Baby Laid to Rest

A tiny one-pound-14-ounce baby was laid to rest in the Washington Cemetery but it long will be remembered as one of the smallest babies to live for nearly 26 hours after a premature birth here.

She was the infant daughter of Mr. and Mrs. A. M. Matthews who reside on the Chillicothe highway and was born at Memorial Hospital last Tuesday.

Rarely, it was said at the hospital and by medical authorities, does so small a baby, prematurely born, live more than a few minutes or at most two or three hours. Mr. and Mrs. Matthews' little daughter lived for 25 hours and 56 minutes.

Mrs. Matthews is still in the hospital and is convalescing satisfactorily.

The tiny baby was buried Thursday afternoon after brief committal services at 4 P. M. under the direction of the Parrett Funeral Home.

Besides her parents, she is survived by a sister, Miss Helen Matthews of Columbus, and three brothers, Richard, Dale and Robert Lee, all at home.

troops swarmed into Korea to intervene and fight American soldiers, new angles of the picture began to evolve.

Now there is speculation that if the Chinese Reds drive UN forces out of South Korea, the case of aggression against the Communists may be so strong that there no longer can be reason for giving only minimum assistance to the Nationalists on Formosa.

A high army officer asserted emphatically today the withdrawal of United Nations forces in Korea is a well-planned and executed withdrawal and "is not any rout or any Dunkerque."

The officer, who may not be named, emphasized that point repeatedly in talking to reporters at a Pentagon briefing session.

At the same time, he presented a set of figures to show the overwhelming strength now being thrown by the Chinese and North Korean Communists against the United Nations forces.

A total of 950,000 enemy troops, of which 450,000 are still being held in reserve in North Korea, are involved in the all-out push, he said.

Other figures supplied the reporters included:  
Six Chinese armies of about 30,-

## Watch and Clock Repair</

By JAMES MARLOW  
WASHINGTON, Jan. 5—(AP)—Congress seems to have settled the problem of bombshelters without a major explosion. Very neatly done.

It had to consider the bombshelter business before it passed a bill this week to set up a national civil defense program.

This much was clear all along: The government was going to have to chip in money to help cities and states build shelters where needed.

So, in the next three years, with the blessing of Congress, the government will have \$1,125,000,000 of this chip-in money to spend on shelters.

(In turn, cities, and state will have to match with money of their own every cent they get from the government, penny for penny.)

For example: if it's agreed a certain shelter will cost \$500,000, the government will put up \$250,000 and a state \$250,000.

So far everything seems just clear and simple. No trouble. No problem, really. But then the whole thing got mixed up with the traffic problem.

A city with bad traffic jams could relieve itself quite a bit if it built a huge parking garage.

But how nice it would be, in more ways than one, if a city could build a combination shelter-garage. You can see why.

Long after the emergency passed, if it passed, the city still could use the garage for parking. More than that.

In time the garage would pay for itself since every motorist who parked there would have to pay a fee.

Such a garage would be a self-liquidating project, as businessmen say.

But you can see how doubly nice it would be if the federal government chipped in to help a city build a combination shelter-garage, thus relieving a traffic problem and a shelter problem.

But Congress hemmed-and-hawed over the idea of letting a city have government money to build itself a self-liquidating project.

So, to be sure on this point, Congress wrote into the law a flat warning that none of the money could be used for self-liquidating projects.

Still, strangely enough, cities will be able to get some of that federal money to turn garages into bombshelters.

Seem like a contradiction? Well, try it another way:

Take San Francisco as an example:

That city won't be able to go to the government and say: "We want to build a combination shelter-garage that will cost \$10,500,000. So you put up half and we'll put up half."

But San Francisco can put this proposition to the government:

"We want to build a big garage that will cost \$10,000,000. For another \$500,000 we can fix it so that it will be a bombshelter, too."

In a case like that, under the law, the government can give San Francisco \$250,000 -- provided the city puts up the other half of the \$500,000.

Although the garage itself, if built by the city of San Francisco, might pay for itself in a few years through parking fees, the government wouldn't have had a hand in building a self-liquidating spot.

Its help would have been limited to making the self-liquidating spot bomb-proof.

#### Advance Sale of WHS Annuals To Be Held; Work on Schedule

MEMBERS OF SUNBURST STAFF work on getting out high school annual. Those shown in the above picture, reading from left to right, are: Bill Case, Sharon Rettig, Jim Williams, Ann James and Marilyn Cunningham.

Some of the pictures which will appear in the 1951 Sunburst, annual of Washington C. H. High School, have been sent in to the engravers.

Work is proceeding ahead of schedule since staff members are attempting to get their yearbook published earlier than at anytime in the past.

This year the annual will consist of four additional pages in order to make room for school activities.

Individual pictures of all the class members except seniors have been taken and developed. The Himmelsbach studio is handling the work for the high school again this year. Club and sports pictures have been taken and advertising has been solicited.

Plans have been made for an advance sale of the yearbooks. January has been designated as "sales month." The staff hopes to sell more than 600 annuals.

The business staff members are planning to make talks before

seventh, eighth and ninth grade homerooms since some of the students don't understand what is included in the "Sunburst."

Editor of the 1951 "Sunburst" is Kay Morter. Senior members of the staff include: Ann James, Norman Pope, Bill Case, Tom Bowles, Jean Miller, Shirley Pyle, Fred Brandenburg, Jean Perrill, Sharon Rettig, Jane Terrell, Jo Ann Cockerill and Rosella Dowden.

Rev. Allan M. Caley will deliver the invocation.

#### Library Here Gets Biographical Material

The Carnegie Public Library here has received a directory of the executive officers of the federal government, state officials and members of Congress from

Clarence J. Brown, representative from the Seventh Ohio District to Congress.

Rep. Brown said he is providing copies of the biographical directory to public institutions and libraries in his congressional district.

Miss Elizabeth Johnson, librarian, said the directory is a welcome addition to the shelves of the library here.

The directory has one section devoted to the executive officers of the federal government from 1789 to 1949. Another section lists the members of each of the 80 Congresses by state delegations. The last section gives the names of all the members of Congress from 1774 down to date alphabetically, with a short biographical sketch of each.

#### Many Enlist for Military Service

Information was received from Sgt. Clarence Longberry, U. S. Army and Air Force Recruiting officer here, that several Fayette County men enlisted in the Army and Air Force during the past month.

Four veterans who enlisted were Donald Melvin, who had four and one-half years previous service; Walter Baker, who had eight years service; Roger Chaney, who had 3½ years service, and William Wilkins who had two years service.

These men all enlisted in the Air Force and will be sent to one of five bases. They are Boling Air Force Base at Washington D. C.; Langley A. F. B., at Hampton, Va.; Wright-Patterson A. F. B., Dayton; and Lackland A. F. B., at San Antonio, Tex.

Roger Chaney and Elmer Smith enlisted in the Army, and will receive their basic training with the 3rd Armored Division at Fort Knox, Ky.

Roy Underwood Jr., Colan Williamson, Gordon Watson, Ronald Steele and Ronald Kavanaugh enlisted in the Air Force and will receive six weeks of basic training at Lackland Air Force Base.

#### X-ray Results Are Announced

Fourteen Suspects Out of 831

Results of the mass chest X-ray clinic held in the county from Nov. 15 to 21, inclusive, have been announced by Miss Gretchen Darlington chief nurse of the Fayette County health department.

In all, 831 X-ray "pictures" were made, and five of the total proved unsatisfactory for various reasons.

Of the 826 good ones, 797 showed negative and 14 were suspected tuberculosis cases.

In other words only 1.7 percent were suspected cases.

The mass X-rays were taken at Bloomingburg, Jeffersonville, Good Hope, Cudahy Creamery, Pennington's Bakery, N. C. R. and the high school building in Washington C. H. The general public was X-rayed at the high school building.

On Dec. 18 some 61 persons were X-rayed, and 50 of these were negative.

The mass X-rays were made by the unit of the state health department in cooperation with the department here.

## Some Sound Advice To Young People Today

A few days ago we heard a Washington C. H. woman, concerned about the future for the children of her family, which include at least one boy close to war service age, ask this question—"What do our young people have to look forward to?"

More than a few Fayette County parents face this same question and find it difficult to answer it.

Conditions today are forcing high level tensions in which all of us are living. Particularly do these difficult periods weigh heavily upon the young men and women of this generation. None of them know whether or not they will be able to carry out their plans or see the fulfillment of any of their hopes.

These young men and young women right now are asking "what are we to do? Shall we continue with our educational plans or abandon them and go to work, awaiting the day when we may be called into some form of military service?"

Many serious-minded educators, who know their business, are offering this advice today. To all young people, they say, "Go about your regular lives. Plan them as if there were certainty and assurance. We know that these things are in grave doubt, but if you continue to work and study and carry on as normally as possible in these times of strain, you will be in far better condition to do an effective job of easing these strains when the decisions fall into your hands."

This advice may be easy to give and difficult to take. Nevertheless, it is clearly the soundest approach to life in a nerve-racked world. For if all the universe abandons sanity and yields to the storms and stresses of our times, there will be little worth preserving for those who come after us.

Let the youth of our country know that the world is always passing from one crisis to another, that the American nation has moved through them courageously because

it had confidence in its future, and in its destiny. We must retain that confidence. There will be people on earth after us as there have been before—atomic bomb, H bomb, or any other notwithstanding.

### Wisdom and Frugality

In his first inaugural address, President Thomas Jefferson pleaded for "a wise and frugal government, which shall restrain men from injuring one another, shall leave them otherwise free to regulate their own pursuits of industry and improvement, and shall not take from the mouth of labor the bread it has earned."

Those words are particularly apt for this time, when nearly \$18,000,000,000 has been asked for rearmament. At such a time, wisdom, recognizing that defense is paramount, should realize that non-defense expenditures of government should be handled with true frugality.

At a time when alarmed politicians are demanding all sorts of controls, wisdom should recognize that, except in matters affecting defense, men should be left "free to regulate their own pursuits of industry and improvement," so long as their work is legal, decent and progressive.

Wisdom also should recognize that tax laws should be so written that from no man shall be taken the fruits of his labor except to raise essential funds for defense and the ordinary processes of government.

Controls are tumbling off the assembly line at a record rate, but the most effective one still remains self-control.

California man has won a \$3,000 prize for being the nation's biggest liar. If this contest ever is internationalized, no other country will have a chance unless the Russians are barred.

## Human Tragedy of War in Korea

By Tom Stone  
(Substituting for HAL BOYLE)

SEOUL —(Delayed) — (AP) — Kim Soon Pie slipped on his tattered overcoat and stepped out of his little house here.

He wanted to walk alone through the streets and think.

It had fallen upon him as head of his house to make a decision. People in the street were hurrying; fleeing the city. They had made their decisions.

His thoughts were interrupted by someone who stopped to talk. "I am standing here trying to make up my mind," he said.

"I have a family of six—myself, my wife, our son, his wife and their two children. The wife of my son has a child inside her and it will be born soon."

"I see these people here in the street. They leave. They can go. I don't know what I can do."

"I am an old man. My wife is old. If we try to leave we will die together along the road, for it is cold and the trip is long. My son cannot leave for his wife cannot have her child by the side of the road. The children would suffer."

"But if we stay our home will be destroyed and we will be at the mercy of the Communists. We know by experience what they are like."

He did not know it but Red Chinese troops were only a few

miles north.

But Kim did know that the time was near. He had heard reports and he had seen neighbor after neighbor board up their homes and take to the roads.

As he stood there the dull thud of artillery could be heard in the distance. American warplanes sped overhead. Army vehicles rumbled through the streets.

There was evidence enough the crisis was near.

Through an interpreter the aged man told a war correspondent of the weight his problem was bearing on his mind:

"I have come out of the house to think and to see. I have been pondering what to do."

Tears welled up in his eyes. It was a strange sight to see one of these war weary Orientals show his feelings.

Two sisters bent with age huddled before a tiny charcoal stove in their house, not far from Kim's. Both were bare-headed and in their stocking feet.

At the door, the daughter of one of them talked to two strangers.

"Twenty of us lived in this house at one time, but now only us remain," the woman said pointing to the two old women and her children -- a daughter 17 and a son 10.

"The others have gone, and

some of us must leave soon."

She said her mother was 77 and her aunt was 85.

"When the others left they said they would send us food. But we know they are far away by now and we don't expect we will hear from them again."

"I cannot decide whether to leave my mother and aunt here, or try to take them with us. They would surely die either way," she said.

Her face displayed no emotion.

Hearing the conversation at the door, the elder of the two old women lifted herself from the floor and hobbled to the door.

"We are not afraid to stay," she said in a loud shrill voice. The interpreter tried to calm her.

"I am an old woman," she fairly screamed, "but we are not afraid to stay."

She looked kindly at her niece, a widow.

She looked up. "I have many thanks for the UN forces. They are not Korean but they come to Korea from very far country and fight for Korean people, for happiness and for peace," she said.

The interpreter interrupted her and explained, "She says that the UN soldiers will not let the Chinese come. She says they will protect her and she wants to stay in her home."

sons being killed, the commander was still being forbidden to protect his army or even to find out what the enemy was doing. The enemy was free from air attack or air observation.

Such orders are not understandable, but they were the orders that General MacArthur had to follow.

Then came the full results of the abandonment of Chiang Kai-Shek. Mao Tse-Tung had maintained an army of 500,000 men under General Lin Piao in south China to keep Chiang Kai-Shek off the mainland.

Once Soviet China was assured that the United States had immobilized Chiang Kai-Shek, had got him to agree not to attack the mainland, Mao Tse-Tung ordered that General Lin Piao's army be transferred to the Yalu River. That fourth field army of Soviet China was free to kill Americans because the State Department insisted on not permitting Chiang Kai-Shek to keep Lin Piao's army busy in south China.

It is clear from this one fact that the decision of Soviet China to get into the Korean war as the principal fighting force must have been made in early September at the latest, because it would have taken Lin Piao's army at least a month, if not longer, to move from the island of Hainan and the Province of Kwangtung to the Yalu River.

Yet, during September and October, London, Washington and the United Nations were playing footsie with Mao Tse-Tung. Our commander in Korea had to depend upon the diplomatic officials of his government for information of this nature. They either did not know or if they did know the facts, they found it impolite to talk about them. The Lin Piao episode is the most telling in this situation.

Before November 24, Chinese Communists moved into the Korean fight under the designation of the 53rd, 54th and 55th corps armies. After November 24, it was clear that the Chinese were pushing 24 divisions into Korea—with more to come. Yet even at that time and with such evidence, the artificial sanctuary west of the Yalu was maintained and is maintained to this day. With our

Habit of Childhood Concerns Parents

By HERMAN N. BUNDESEN

Perhaps of all the bad habits of childhood, bed-wetting or enuresis gives parents the most concern.

Since it usually has its source in some deep-seated tension or maladjustment, it is difficult to deal with. Many forms of treatment have been tried, but none is universally successful. One thing is certain, scolding and punishment accomplish nothing and may even make the condition worse. Drugs are not very helpful in the average case. The cutting down of fluids, particularly during the evening may be of slight value. The offering of rewards does not help, but it is essential that the child have encouragement and understanding.

Awakens Child

Recently, a method of treating this condition with a wire pad and bell that awakens the child when he starts to empty the bladder has been found helpful. The device consists of a rubber sheet, connected with a push-button release which is placed on the bed under the ordinary sheet. As soon as the urine wets the bed, it causes the bell to ring, and the ringing continues until the child, according to instructions previously given to him, gets up and presses the button. The child then goes to the toilet.

In carrying out the treatment, it is best to have two pads. When the child first awakens, and the wet pad is removed from the bed, the dry one is put on in case a second wetting occurs. After the child has overcome the habit for about three weeks, the apparatus is removed and, in most instances, the condition will have been cured.

In Every Case

Of course, in every case of bed-wetting, the child should be examined carefully by a physician to make sure that there is no diseased condition present which is contributing to this disorder.

Parents should remember that in many instances the habit of bed-wetting is started by improper training. It is normal for the child to wet the bed until he is two or three years of age. Efforts to prevent bed-wetting be-

fore this time may lead to a continuation of the bed-wetting until the youngster is five or six years old.

### QUESTIONS AND ANSWERS

Mrs. O. W.: Can neuritis cause irritation and pain in the breast?

Answer: Neuritis or neuralgia may be responsible for pain in the area of the breast. Actual inflammation of the nerves is not a frequent condition. More often, neuritis, which means nerve irritation, is responsible.

Of course, pain in the breast may be produced by other causes, such as congestion or certain glandular disturbances.

The twin bill offering, "If This is Sin" and "50 Years Before Your Eyes" will be shown at the Fayette Theatre on Tuesday and Wednesday. The former movie stars Myrna Loy, Roger Livesey, Peggy Cummins and Richard Greene while the latter tells the story of the world during the past 50 years and stars Arthur Godfrey.

On Thursday, Friday and Saturday "American Guerrilla in the Philippines," starring Tyrone Power, comes to the Fayette. The movie tells the story of the guerrillas' fight from Leyte to Luzon.

### STATE THEATRE

The technical western, "Wyoming Mail," starring Stephen McNally and Alexis Smith, and "So You Won't Talk," a comedy, are both on the same bill for the Sun-

day, Monday and Tuesday attraction at the State Theatre. The western relates the drama of outlaw raids on the United States Railway Mail Service trains.

On Wednesday and Thursday the thriller, "David Harding Counterterry," a cloak and dagger story, and the western, "Across the Badlands," are booked. The latter stars Charles Starrett and Smiley Burnette.

Friday and Saturday Spade Cooley is featured in the western, "Border Outlaws." On the same bill "Superman vs. the Atom Bomb" and a cartoon are booked.

### PALACE THEATRE

"Sunset Boulevard," the story of a young cub reporter who aspired to have a Hollywood swimming pool and found the cost too high, is slated to come to the screen of the Palace Theatre on Sunday, Monday, Tuesday and Wednesday along with the western, "Streets of Ghost Town." The former movie stars William Holden, Gloria Swanson and Erich von Stroheim.

On Thursday, Friday and Saturday "Lure of the Islands" and "Call of the Jungle" are booked at the Palace along with "Invisible Monster."

## Plane Hits Trees Trying to Land

COLUMBUS, Jan. 5— (AP) — A TWA constellation, carrying 48 passengers, scraped tree-tops last night when it attempted to land in misty weather at the Cincinnati Municipal Airport.

The New York-to-Kansas City plane, unable to make its scheduled stop at Cincinnati due to the weather, came down on the Columbus Municipal Airport at midnight.

The civil Aeronautics Administration reported that Capt. John Maris, the pilot, touched the trees as it tried to find the Cincinnati landing strip.

The plane's right landing light was torn off and a hydraulic line was pulled loose.

# Sunday School Lesson

By ROY L. SMITH

It is highly significant that the divine words of endorsement which were spoken of Jesus at the moment he began his career as a preacher, had been earned while he was a carpenter. Up to the moment when he presented himself to John the Baptist for baptism, he had given all his attention to the management of the Nazareth Carpenter Shop.

Those words, "Thou art my beloved Son, in thee I am well pleased," were a dramatic comment on the kind of carpenter Jesus had been. He had earned them with hammer and plane and adz. It is almost equally significant that when his enemies were coming the earth for some charge against him that could be made to stand, no one ever raised the question of his workmanship. No person came forward to say that his houses did not stand up or that the benches he made were unsatisfactory. Neither did anyone say that he overcharged his customers.

It appears that the young man from Nazareth had found something deep and holy in his work which satisfied his soul. Woe is the man who cannot respect his work, or respect himself because of the shoddy work he does.

The Valleys Make a Contribution

It must have been a thrilling experience for Jesus when he stood under the ministry of John the Baptist and accepted the solemn rite of baptism at his hands. Something was injected into his thinking that went to the very roots of his being. God have mercy on any man who is incapable of being profoundly moved by holy things—the one who always takes pride in the fact that he takes everything in stride without experiencing any great sense of exaltation.

The Sunday School lesson for January 7, "Jesus Begins His Ministry," Mark 1:1-20.

It is a common experience for most of us, however, that a reaction sets in close upon the heels of our great moments. Having walked upon the heights we suddenly find ourselves in the depths. Having been possessed by a great surge of courage we almost immediately find ourselves plunged into terrors. From his baptism Jesus went directly into the wilderness.

But the scripture says that "angels ministered unto him." And that was the secret of his life. Angels always waited for him in the valleys of despair and disillusionment. And that is the experience of every man of faith who is willing to meet the requirements of faithfulness. It should be remembered, however, that Jesus had spent his years making the acquaintanceship of angels. When he arrived in the valley, they were not strangers to him, nor was he a stranger to them. Perhaps if we cultivated the angelic spirits in the days of our prosperity we might be a bit more certain of finding them when we are plunged into our valleys.

Always Called in One Direction

It will pay most of us to make careful note of the fact that when God calls to a man he always has

some advance in mind. Fishermen are invited to become disciples; youngsters are urged to become "career people" in the Kingdom of God; the young scholar was summoned to become the great missionary statesman of the first century Christian Church.

There is not one chance in a thousand that any one of those Galileans would ever have been heard from outside their own seacoast except for the fact that they left their nets and threw in their lot with Jesus. If it was for fame they lived then they got it; if it was adventure they

found they they found it; if it was satisfaction for the deep longings of their lives then they found that too.

There is a deep meaning in those words of Jesus to the young men: "I will make you to become." This has been the history of Christ's influence upon the lives of people for almost two thousand years. He has been making "becomers" out of those whom the world has never noticed before.

He will go on doing that very thing in the life of any man who responds to his invitations.

## New '52 Club' To Be Started

A brand new "52 Club" is to be started next Sunday at the South Side Church of Christ.

Everyone present then automatically will become members of the club for this year. And, they all will remain members until they are absent.

Membership in the "52 Club" is based on church attendance week after week—for, as the name implies, for the 52 weeks of the year. A picture is to be taken Sunday of the entire club.

Last year, the club finished up with 24 members. The goal has been raised for this year.

A dinner is planned for the near future for last year's club members. Each is to be presented with a service pin.

## Church Here To Help In Overseas Relief

St. Colman's Catholic Church here will participate in the collection of funds March 4 for the relief of war-torn countries in the world, according to an announcement made today.

Last year more than \$500 was contributed by members of the church in a single day for the same purposes. Father Otto Guenther said the church has been collecting money for this purpose for the past four years or so.

The goal for all Catholic churches in the country is \$5,000,000 for March 4, according to Monsignor Edward E. Swanstrom, executive director of war relief services, national Catholic welfare conference.

In addition, 2,000,000 Catholic children will be urged to contribute small change to the special overseas fund throughout Lent, which starts Feb. 7.

## More Traffic Mishaps Here Than in 1949

Police Records Show No Fatalities in City in 1950

Although there were 298 traffic accidents in Washington C. H. during the past year, as shown by the records compiled by Police Chief Vaiden Long, not a single fatality occurred in the city. Last year there were two fatal automobile accidents.

Regardless of many efforts to lessen the number of accidents in the city, the number was 59 more than the previous year when 239 were recorded.

The traffic accidents involved six pedestrians who were injured, compared with five last year.

Of the 298 accidents a total of

275 involved more than one motor vehicle, and 16 persons were injured. No estimate of damage is vehicles was made out it reached into the thousands of dollars.

Chief Long's records show that three motor vehicles collided with trains, injuring two persons.

Seven bicycle-auto collisions took place, injuring three persons. Six vehicles collided with fixed objects.

While pointing out the number of traffic accidents increased this year over those of 1949, Chief Long expressed deep satisfaction in the fact that no fatal accidents occurred in the city.

During the year nine fatal accidents occurred in the county outside of Washington C. H.

## Fifty-one Ladies Attend Luncheon Bridge Thursday At Washington Country Club

Fifty-one ladies attended the fortnightly luncheon bridge at the Washington Country Club on Thursday afternoon and were greeted by a gracious group of hostesses with Mrs. Robert Edge as chairman assisted by Mrs. Frank Littler, Mrs. Hazel Smith, Mrs. Ethelyn James and Mrs. Stanley Paxson. Snow men were used to decorate the club lounge and also on the tables seating the guests at one o'clock for a tempting luncheon. The beautiful winter afternoon was pleasantly spent in a spirited game and after several progressions the hostesses further carried out the clever predominating theme in the presenting of

pottery snow men filled with potted plants to Mrs. J. J. Kelley who was the holder of high score. Mrs. Albert S. Stiemler, second and Miss Dorothea Gaut third. Out of town guests included were Mrs. Pearl Reich of Orlando Florida, Mrs. Sally Langan and Miss Helen Langan of Los Angeles, California.

### Personals

Mr. Calvin Newman, Mr. J. A. Bock of this city and Mr. Bock's brother Mr. Lewis Bock of Vinson County left Friday morning for the coming three months at Florida where they will vacation at Sarasota, Miami and other interesting points in the state.

Miss Helen Langan will return Saturday to her home in Los Angeles, California after an extended holiday visit with her sister Mrs. Harry Thrallkill and Mr. Thrallkill.

Mrs. Roy Pfeiffer has returned from a short visit in Dayton where she was the guest of her daughter Mrs. Elbert Webster, Mr. Webster and family.

Mrs. Pearl Reich Orlando, Florida is the guest of Mr. and Mrs. Frank Reichelderfer and daughter Peggy.

Mr. and Mrs. B. E. Kelley were in Columbus Thursday night, for the illustrated lecture on "Mound-builders of Indiana," given at the Ohio State Museum under auspices of the Ohio State Archaeological and Historical Society, by Dr. Glenn A. Black, director of archaeology and field technician of the Indiana Historical Society.

### Bookwalter Aid Adds 2 Members To Society

Mrs. Russell Garringer was hostess to sixteen members of the Bookwalter Ladies Aid Thursday afternoon. Miss Marib Bruce conducted the business session opening with devotions led by Mrs. Harry Allen, who read Scripture from James.

The hymn "Work For The Night Is Coming," was followed with prayer to close the worship period. The regular reports were heard and two new members, Mrs. Leonard Miller and Mrs. Ervin Grace, were welcomed into the society. Acknowledgement for gifts from shut-ins in the community and from ill members were read. Mrs. Ellsworth Vannorsdall program leader read a message for the New Year. During the social hour the hostess assisted by Miss Gladys Wilson served a tempting salad course. Guests included were Mrs. Marvin Brown, of Jeffersonville, Miss Thelma Morgan of Fairborn, Mrs. Dena Draper and Linda Miller.

If you like to give baked beans an extra touch, add a tablespoon of molasses or brown sugar to them. Put the beans in the baking dish and sprinkle with a strip of diced uncooked bacon, then bake in a hot oven until beans are heated through and bacon topping

### New Members Are Taken into Church Society

Mrs. Thomas Cullen was hostess on Thursday afternoon to about thirty members of the Missionary Circle of the First Baptist Church. Mrs. Milo Smith presided over the meeting and the opening devotions were led by Miss Mabel Briggs. She read a timely poem, "New Year's Thoughts," and an interesting article written by Lowell Thomas. Scripture reading was taken from Proverbs and she closed with prayer.

Following the usual reports a special report was given by Mrs. Charles Hurrut on a Christmas box sent to the girls at the Baptist Missionary Training School in Chicago. Mrs. John Case and Miss Mabel Briggs were appointed to send a box of clothing to Japan. Forty-seven calls were reported, and a large number of cards sent during the past month. Two new members, Mrs. Mildred Duvall and Mrs. Robert James, were welcomed into the society.

Mrs. Charles Hurrut was program leader on "Missionaries In The Field," and opened with the hymn, "If Jesus Goes With Me, I'll Go." Mrs. Hurrut read the poem, "Just To Be Like God." Short articles on the subject were given by Mrs. Walter McLean, Mrs. John Case, Mrs. Ott Reno, Mrs. Wesley DeWeese and Mrs. Milo Smith. Mrs. Cullen read letters from Baptist missionary students and Mrs. Hurrut described the life of a registered nurse in a missionary field.

The program was closed with a circle of prayer, and lovely tea delicacies were served from a table centered with lighted tapers, with Mrs. Milo Smith and Miss Mabel Briggs presiding over the silver service at either end. Hostesses assisting Mrs. Cullen were Mrs. Howard Burnett, Mrs. Jud Clark, Mrs. Joseph Merritt and Mrs. W. L. Peterson. Guests included were Mrs. Elfrida Tomba and Mrs. Ruth Robinson.

### Community Club Holds Meeting At Davis Home

The Union Township Community Club met at the home of Mrs. Claude Davis with fourteen members and one guest Mrs. Norma Campbell present. The opening hymn was "The Old Rugged Cross" and the meeting was presided over by Miss Blanche Roberts who led in the devotions. The praying of the Lord's Prayer by the group and the hymn "Jesus Is All The World To Me," was followed by roll call which was responded to with New Year's resolutions. After the reading of the regular reports, round robin cards were prepared for ill members.

Each member was requested to bring old Christmas cards to the next meeting to be sent to the United Cerebral Palsy Association, who are asking for cards in great amounts, according to Karl K. Van Meter, who says they are used in occupational therapy. Miss Roberts introduced Mrs. Norma Campbell, guest speaker, who dis-

cussed the important subject "Good Posture." She said in part: "To help reduce fatigue good posture is necessary in sitting, standing, walking and carrying. She also showed pictures of good and poor posture to illustrate her talk. The meeting closed with the club benediction and during the social hour Mrs. Davis was assisted by Mrs. Icy Huchison in the serving of tempting refreshments. Mrs. Beryl Cavinee will be hostess for the all day February meeting.

### Club Members Enjoy Luncheon, Social Meeting

The luncheon meeting of the Washington Garden Club was held in the private dining room of the Anderson Drive Inn with twelve members present who were seated at one long table. Favors of narcissus bulbs in gay wrappings were found at each place.

Following the congenial dinner a program was in charge of Mrs. Harry Inderrieden who conducted a round table discussion of questions submitted by each member pertaining to gardening. An invitation from the Town and Country Garden Club, to attend a silver tea, at the Bloomingburg Methodist Church January 24 was read.

Mrs. Darrell Williams was chairman of arrangements for the luncheon and those present were Mrs. Charles Alleman, Mrs. Kenneth Bowers, Mrs. Ed Hidy, Mrs. Earl Horney, Mrs. Harry Inderrieden, Mrs. Ray Bowers, Mrs. Ray Johnson, Mrs. Warner Penrod, Mrs. Darrell Williams, Mrs. Thomas Willis, Mrs. Robert H. Wilson and Mrs. Elza Woodruff.

### Class Members Hold Meeting At Church

Members of the Matrons Class of the Bloomingburg Presbyterian Church met in the church parlor, Thursday afternoon. Mrs. Leafy Edwards president, conducted the meeting, opening with devotionals led by Mrs. Arthur Engle, who read from the Upper Room, and also Scripture from Acts. She gave a short talk on "Faith" and closed with prayer. The annual reports were given by the committees and the meeting was turned over to the new officers with Mrs. Hazel Moyer as president, who announced her standing committees for the coming year. Twenty-one members enjoyed a pleasant social hour during which a light refreshment course was served by the hostess committee, Mrs. E. H. McDonald, Mrs. Ray Foster, and Mrs. Lucille Creath.

### Misses Plymire Hostesses at WSCS Meeting

Misses Cora and Lizzie Plymire entertained the members of the Mt. Olive WSCS at the regular meeting, presided over by Mrs. Amer Whiteside.

The opening hymns were "Beautiful Garden of Prayer," and "I Love To Tell The Story." Mrs. Roy Thompson read Scripture from Revelations and led in prayer, and Mrs. Amer Whiteside read an article, "A New Opportunity" from the "Upper Room".

Sixteen members responded to roll call, and special reports included eight sick calls and twenty-six cards sent during the month.

The program consisted of readings by Mrs. Mary Henkle, who read "Snowstorm"; Mrs. Sam Lightie, "The Soul of a Shut-in"; Mrs. Wilbur Hyer, "It Happened in Korea"; and Mrs. Roy Thompson, "The Spirit Still Prevails." The praying of the Lord's Prayer closed the meeting and seasonal refreshments were served by the hostesses.

### Eastern Star To Observe Obligation Night

Royal Chapter No. 29 Order of Eastern Star will hold its first meeting of the New Year, Monday evening and following the regular meeting an impressive obligation ceremony will be participated in by officers and members.

Mrs. Glendine Kelly will be soloist for the evening and a social hour has been planned with Miss Vera Veil as chairman.

All members of the chapter and resident members are being urged to attend.

### Nov. 22 Marriage Is Being Announced

Mr. and Mrs. Ray Pfeiffer announce the marriage of their daughter Virginia to Mr. Harry O. Hidy, son of Mr. and Mrs. W. C. Hidy of Greenfield. The wedding was an event of November 22, 1950 and took place in Richmond, Indiana, with Rev. R. W. Tribble officiating at the double ring ceremony in the Methodist Church. The bride wore for her marriage a grey wool suit with black accessories and her corsage was

5-7 percent higher than on June 15, before the Korean war started. It was up 9-6 percent from a year ago.

Prices of 50 foods were studied in eight cities: Atlanta, Boston, Chicago, Columbus, New York, Richmond, San Francisco and Washington. Almost all classes of retail food items were found to have increased in price.

Eggs, for example, went up 14.2 percent in the eight cities com-

white baby mums. They left immediately on a wedding trip through Michigan and Canada. Mrs. Hidy is employed at the Wright Patterson Air Force Base, Dayton, and the groom is associated in farming with his father. They expect to establish their home in Greenfield in the early spring.

Mrs. David Godfrey

Miss Jeanie Morris, daughter of Mr. and Mrs. Delbert Morris, of Leesburg, formerly of Wilmington, and Mr. David Godfrey, son of Mr. John Godfrey, of Lancaster, Eng., and Mrs. Pearl W. Godfrey, of Wilmington, were united in marriage Saturday, Dec. 30, at 7:30 P. M., at the home of the bride's parents.

Rev. Frank Milner, pastor of Leesburg Friends Church, performed the impressive double ring ceremony before the mantelpiece, banked with bouquets of white chrysanthemums, flanked by tall white candles. The bride's father gave her in marriage.

Preceding the service Mrs. B. J. McMillan, aunt of the bride, presented a program of nuptial music and during the ceremony the bridegroom's aunt, Mrs. Lorene Wilkin, softly sang Malotte's "Lord's Prayer."

For her wedding the bride chose a blue velvet street-length dress. She carried an orchid on a white ribbon and her only ornament was a single strand of pearls, a gift from the bridegroom.

Miss Carol Sue Godfrey, bridesmaid, was in brocaded orchid taffeta, and wore a corsage of white rosebuds. Mr. John D. Godfrey of Columbus, served his brother as best man.

The bride's mother wore a two-toned gray dress, a pink carnation corsage, and Mrs. Godfrey was in navy, with white carnation corsage.

A reception immediately followed the ceremony. Hostesses were Mrs. Ruth Wilkin, Mrs. Mildred Morris, Mrs. Beatrice Williams, Mrs. Helen Wilkin and Mrs. Marie Morris.

Mrs. Godfrey was graduated from Leesburg High School in 1947 and is now a senior at Ohio State University, and is affiliated with Phi Mu sorority. Mr. Godfrey was graduated from Wilmington High School in 1948 and is a member of the senior class at Wilmington College. He is affiliated with Gamma Phi Gamma fraternity.

On their return from a short wedding trip, Mr. and Mrs. Godfrey will return to their respective schools. Both will be graduated in June.

Dress up broccoli with a savory topping. Cook the broccoli until just tender crisp, drain and place in your serving dish. Melt butter or margarine in a skillet, add fine dry bread crumbs and stir over low heat to brown a little. Sprinkle the buttered crispy crumbs over the broccoli and serve at once.

## Miss Darlington Speaks to WSCS Members

Nineteen members of the White Oak Grove WSCS met at the home of Mrs. Howard Williams on Wednesday for the regular meeting, and nine guests were included by the hostess.

The vice president, Mrs. Donald Rife, conducted the business session, which opened with the hymn, "Jesus Calls Us." Mrs. Clarence Rowe led the devotions, using as her topic, "Our Responsibility Toward The Giver of All Gifts." She talked briefly on stewardship and read scripture from Timothy.

Mrs. Rife introduced her sister, Miss Gretchen Darlington, of the Fayette County Health Department, as guest speaker, who talked interestingly on the duties of the health nurses and of their visits into the many homes in the county.

Following her talk the usual reports were heard and activities for the month included 52 cards sent, 20 calls made, ten donations and three flowers sent. Mrs. James Gilmore was welcomed into the society as a new member. The meeting closed with the praying of the Lord's Prayer.

During a social hour, the hostess was assisted by Miss Joan Williams, Miss Nancy Rife and Miss Charlene Deakne in the serving of a seasonal dessert course.

## Madison Mills WSCS Meets At LeBeau Home

Mrs. Fred Le Beau was hostess to the members of the Madison Mills WSCS on Wednesday afternoon. The president Mrs. Forest Fry conducted the meeting with twenty-four members present and the opening devotions were led by Mrs. Leland Dorn. She used as her topic "His Spirit In Us For Them," the hymn "Faith Of Our Fathers," prayer by Mrs. Dorn.

Readings, "Stewardship of Personality," by Mrs. Walter Butcher, "Stewardship of the Christian Family," by Mrs. Wayne Shobe, "The Women's Society of Christian Service," by Mrs. Howard Clark, "A Christian Steward," by Mrs. Leland Dorn. The closing hymn was "O Master Let Me Walk With Thee."

The belated tenth anniversary celebration of the society was observed and members from London WSCS and Darbyville, were included as guests. A candlelight service was held with eleven members taking part, and was closed with prayer by Mrs. Dorn. A vocal duet was presented by Mrs. Guy Tucker and Mrs. H. W. Melvin and Rev. Tucker gave a short talk. Piano duets were given by Mrs. Homer Wilson and Mrs. Dwight King. Mrs. Harold King and Mrs. Edwin Smith assisted the hostess in the serving of tempting refreshments during a social hour. The next meeting will be held at the home of Mrs. Albert Schmidt February 7.

## Dr. Woodmansee Guest Speaker At CCL Meeting

Beta Circle Child Conservation League members met at the home of Mrs. Lawrence Hunter for the January meeting. Mrs. L. C. Scott president conducted the business session during which eighteen members responded to roll call.

Dr. A. D. Woodmansee was guest speaker and was introduced by Mrs. Scott. He spoke on the subject "Moral Development of The Child". A colored film illustrated the speaker's interesting talk and the slides were shown by Mrs. Robert D. Woodmansee. Following the talk Dr. Woodmansee graciously answered many questions asked by the group.

The usual reports were heard and a lengthy discussion was held on the annual children's party which will be held in February and the committee appointed on arrangements are Mrs. Caryl Williams, chairman Mrs. Glenn Heistand, Mrs. Victor Smith and Mrs. Harmon Welty. A new money-raising project was adopted and a new member, Mrs. Victor Smith was welcomed into the Circle.

A social hour followed during which Mrs. Hunter assisted by Mrs. Robert Miller, Mrs. Gilbert Crouse, and Mrs. Frank Kearney served a tempting dessert course.

## Allens Hosts At Class Party

The Young Adult Class of the Jeffersonville Methodist Church held its January party at the home of Mr. and Mrs. Fred H. Allen.

The business session was presided over by the president, Joe Colegrove, who also read the devotions.

After the close of the meeting, games and other entertainment was enjoyed.

Delicious refreshments were served by the host and hostess to Mr. and Mrs. Lee Marshall of Cedarville, Mr. and Mrs. Marvin Dement, Mr. William Allen, Mrs. Ellsworth Vannorsdall, Mrs. Delia Pansing of Dayton, Mr. Paul Allen, Mr. and Mrs. Joe Colegrove and David, Mr. and Mrs. Leonard Miller and children and Freddie, David and Phillip Allen.

## Youth Fellowship New Year's Meeting

Methodist Youth Fellowship met in the Fellowship room of the Jeffersonville Methodist Church for a New Year's program. The

first part of the evening was spent playing games led by Misses Betty Grimm and Beverly Coll.

The group greatly enjoyed the delicious refreshments prepared by Misses Sally Brindley, Carol Ann Cook, Guendolyn Burr and Shirley Sharrett, and the program was held in the sanctuary of the church. The entire church was invited to take part in this service. Under the leadership of Mr. Robert Sollars the young people presented a very inspiring devotional service which ended by all present forming a prayer circle and praying for world peace. The benediction was pronounced by Rev. Forest M. Moon when the church bell began to ring announcing the beginning of the New Year.

Mr. Joe Fisher is president of the MYF and Mrs. O. L. Wiseman is the Youth Counselor.

## M. H. G. Class Holds Meeting

The MHG Class members of First Presbyterian Church met in the Church House for the January meeting. The president, Mrs. Helen Elliott, conducted the business session and opened with a

Scripture passage from Exodus—"This month shall be unto you the beginning of months; It shall be the first month of the year".

Devotions were led by Mrs. Arthur Finley and she read Scripture from Deuteronomy and closed with the hymn, "Faith of Our Fathers" by the group. The reports of the secretary and treasurer were given for the year and also for the last meeting. Projects were discussed by the class to be taken up during the year and the meeting closed with the class benediction.

Dainty refreshments were served during the social hour by the class officers, Mrs. Helen Elliott, Mrs. Opal Callendar, Mrs. Ida Drais, Mrs. Jack Orr, Mrs. Lydia Donohoe, Mrs. I. L. Humphrey, Mrs. O. D. Farquhar and Mrs. P. M. Cook.

# Symposiarch Chapter To Be Installed Here

Everything was just about all set today for the establishment of a chapter of Symposiarch in Washington C. H. next Thursday evening.

Symposiarch is a growing national organization with 37 chapters of clubs in four states—Ohio, West Virginia, Kentucky and Indiana.

It was founded in Columbus May 4, 1934, and the expansion for the first few years was slow. Development of the organization on a national scale, it was said, is just now getting under way with increasing momentum.

One of the basic requirements for membership is membership in a national Greek letter college fraternity for men 25 years of age or older.

Pearce Wright, secretary of the Columbus club, has been in Washington C. H. off and on for the past two months laying the foundations for the club here. Membership, he said is by invitation only.

Up to now, 33 former college fraternity men have signed up as charter members. But, Wright said "about a half a dozen" others are still to be heard from by the time the chapter is installed Thursday night.

The installation is to be held in the Washington Hotel banquet room after a 6 o'clock dinner. Cards have been sent to the charter members.

### Officers To Be Elected

After the installation, Wright said, the officers will be elected and general plans for the future discussed. Appointment of the key committees also probably will be completed then, he added.

One of the questions likely to come up for consideration, Wright said, was the time and place for holding the regular meetings. Indications now are that the club will meet only once a month.

The purposes of the organizations are both broad and elastic. Wright said Symposiarch is primarily a social and discussion group to "promote good fellowship, encourage public speaking and discuss topics of interest from the local to the international level."

Symposiarch has no projects and espouses no reforms. It was made plain, however, that there is nothing to prevent individual clubs undertaking civic or welfare programs.

### 16 Fraternities Listed

Sixteen fraternities and 15 different universities and colleges are

represented in the Washington C. H. club, thus making it a sort of graduate Panhellenic council.

Beta Theta Pi heads the numerical list of fraternities with ten members and Delta Upsilon is second with four. Several others have two and three representatives. The membership list, as it stands now with nearly a week to go, is:

Phi Gamma Delta—Charles S. Hire and Robert Sanderson, Jr.;

Beta Theta Pi—Winston W. Hill, Harris D. Willis, Colin C. Campbell, Richard R. Willis, V. F. Crawford, Joseph W. Campbell, William M. Junk, Louis M. Baer, Frank W. Baker and Thomas H. Mark;

Delta Kappa Epsilon—Willard H. Perrill;

Sigma Alpha Epsilon—John S. Bath, W. C. Sell and Harry Fox;

Delta Tau Delta—Clyde W. Snodgrass and Otis B. Core;

Sigma Delta Kappa—Brooks G. Trueblood;

Alpha Chi Roe—Charles A. Fabb;

Tau Kappa Epsilon—Donald E. Wood;

Phi Kappa Sigma—Dr. Byers W. Shaw;

Phi Delta Theta—Belford E. Carpenter;

Phi Chi—Dr. J. H. Persinger and Dr. Marvin H. Rosenmann;

Delta Upsilon—Howard S. Harper, Max G. Dice, Troy T. Junk, Hugh B. Sollars;

Phi Kappa Psi—M. Grove Davis; Epsilon Psi Epsilon—Dr. Samuel D. Sauer;

Sigma Chi—Frank S. Jackson; Delta Chi—Howard Perrill.

Of the colleges represented by the club's charter members Ohio State University and Miami University of Oxford head the list. Others are University of Illinois, Auburn College, Beloit College, Ohio Wesleyan University, Ohio Northern University, Kenyon College, Ohio University, Cornell University, University of Cincinnati, Duke University, University of Louisville and Western Reserve University.

## New Gas Pipeline Authority Sought

WASHINGTON, Jan. 5—(AP)—Texas Gas Transmission Corp., operating gas pipe lines from the Texas-Louisiana fields to Middletown, Ohio, asked power commission permission today for a \$42,300,000 construction program. W. T. Stevenson, executive vice president, said the company wants to build 580 miles of large diameter pipe line and necessary compressor stations "to meet increasing wartime emergency needs for natural gas in its own mid-western area and in Appalachian markets."

The program, he said, would raise the capacity of the Texas-to-Ohio pipe line system to over 900,000,000 cubic feet daily.

## Wooded Hills to Surround Rocky Fork Dam and Lake

THIS IS THE SITE AT MCCOPPIN'S MILL for the concrete dam that will form the 2200-acre Rocky Fork Lake. The dam is to be constructed between two jutting rock cliffs rising on opposite sides of the creek bank, about 300 yards west of the mill. McCoppin's Mill is located west of Route 70, about 10 miles east of Hillsboro. Both ends of the dam will be imbedded in the rock cliffs.

## Draft Extension Soon, Is Predicted

WASHINGTON, Jan. 5—(AP)—Congress will be asked to extend from 21 to 27 months the time to be served by draftees, Chairman Vinson (D-Ga.) of the House armed services committee, said today.

Vinson told reporters he expects the department of defense to send up to Congress an overall Universal Military Service measure within the next few days. His committee will begin hearings on Jan. 18.

Vinson said many details of the proposal have not yet been definitely worked out but that it is "pretty well settled" that the service extension will be asked.

The Pentagon is still debating whether to ask Congress to lower the draft age so as to call 18-year-olds to active duty, he related.

## \$80,319,445 Left In Ford's Estate

DETROIT, Jan. 5—(AP)—A final accounting of Henry Ford's estate places its value at \$80,319,445.

The accounting, given probate court yesterday, was filed in behalf of the late automobile pioneer's widow, the late Clara Bryant Ford. She was executrix of his estate.

The Ford Foundation, charitable

and Educational Institution, received \$38,623,365. Ford's grandchildren—Henry II, Benson, William, and Josephine—divided \$12,868,335 in equal shares.

The remainder will pay federal and state inheritance and estate taxes and various legal fees.

Ford died April 7, 1947. Mrs. Ford died last Sept. 29.

## 507 U. S. Planes Lost in Korea War

TOKYO, Jan. 5—(AP)—The Red Korean army said today it shot down or destroyed 507 American planes from the start of the Korean war June 25 to Dec. 31. The Communist claims were

included in a communique broadcast by radio Pyongyang and heard it in Tokyo.

The Reds said the total included 334 fighter planes, 53 B-29s, 88 other bombers and 12 reconnaissance planes.

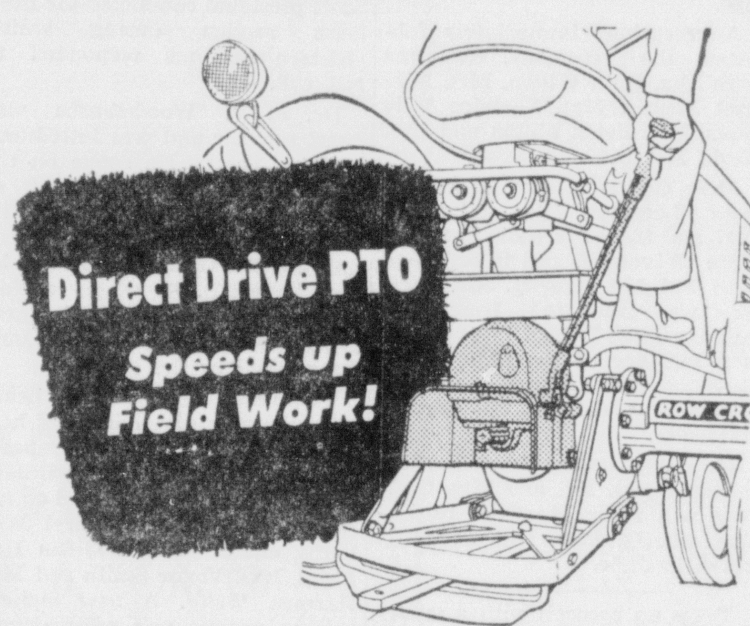

Latest figures released by the Far East Air Forces said the U. S. lost 120 planes to enemy action from June 25 to Nov. 21. These were 99 fighters, 11 bombers and 10 of other types.

A spokesman said American air losses since then were "infinite."

### Three Asphyxiated

CINCINNATI, Jan. 5—(AP)—A 26-year-old Negro woman and two of her three small children were

found dead last night in their gas-filled bedroom. The third child was reported in serious condition at General Hospital. The dead were Mrs. Eula Hopkins and her daughters.

Drummond Implement Co.

Mrs. Welty has announced that she soon will call a meeting of officers and a steering committee which will outline a program, which will be explained at a called public meeting later.

It is reported that there is much work to be done in Fayette County along this line and every effort will be made by the organization to acquaint the public with some of the deserving problems to be faced and to arouse interest in identifying some of those needing help as well as in working out financial plans to make such aid available.

The organization here will be thankful for financial aid from any individuals or organizations which can offer contributions toward the work of helping crippled children.

Through the county health department a number of such children are found every year where surgical or medical aid will do much to make the lives of the children brighter and more useful.

Reports also frequently are received from individuals or organizations which know of special cases that should have such attention. These will be welcomed by the officials of the Crippled Children's Society with promise that prompt investigation will be made and helpful action taken whenever possible.

## Men Do Not Know How Much Energy Housework Takes

Housework to anyone but a housewife is just another necessary chore that takes just a short time with a minimum of effort. Most menfolk don't realize what a hard job housework really is

and what a great amount of energy it takes. Mrs. O. E. Moncus, 66-year-old great-grandmother, didn't feel up to doing her housework, but now, since she is taking HADACOL, she is able to do her housework without a mite of trouble. Mrs. Moncus found that HADACOL supplied Vitamins B1, B2, Niacin and Iron, which her system lacked.

Mrs. Moncus says: "I was weak, run-down, nervous and food didn't agree with me like it should. It gave me indigestion. And I had no appetite. I heard about HADACOL on the radio and how it had helped people who felt like I did. I had aches and pains, too, and these, plus the other things that bothered me, made me feel mighty bad. I just didn't feel up to doing my housework. I started taking HADACOL and after the third bottle I could tell I was a whole lot better. I have taken 18 bottles of HADACOL and I feel so good. I am no longer weak or run-down or nervous. I feel stronger and have pep and energy. My appetite is fine and I no longer have indigestion. And the aches and pains—why, they have been relieved so much. My weight went back to normal and I do my housework without a mite of trouble—mop the floors and clean the blinds and feel fine afterwards. I think HADACOL is wonderful. My husband takes it, too, as does my daughter. We make sure that there is always plenty of HADACOL in the house."

# All-America Vic Janowicz Ousted from Ohio State, Tip

COLUMBUS, Jan. 5 — (P) — Versatile Vic Janowicz — Ohio State University's all-America halfback and Heisman trophy winner—may not be allowed to re-enter school for the winter term because of failing grades, it was reported today.

University officials declined to confirm a report by the Ohio State Journal that the 20-year-old Elyria, O., junior had been dismissed from school. The winter term began Wednesday.

And Janowicz, a junior with another year of football eligibility, said he did not know whether he was "in or out" of school. He told a newsman that two overdue parking tickets had prevented him from receiving his grades. But Janowicz added that he expected to talk to university officials about his standing today.

The Journal said last night it learned Janowicz had been dismissed because he failed to meet certain scholastic standards. Such failure means dismissal for at least one quarter—the scholastic period on which Ohio State operates.

A STUDENT thus dismissed may be re-instated under certain conditions. And Janowicz apparently has chance of getting back in school if he has been dismissed.

Bland L. Stradley, Ohio State vice president, declined to confirm the dismissal report. He said Janowicz's grades were "the private property of him and his parents."

But he confirmed that the Elyria

## High Scores Rule In Classic League

Pins were flying all over the pits at Bowling Thursday night when the Classic teams took over the alleys. As a result, high scores were the rule rather than the exception.

Goodman of the Bryant Restauranters, racked up a 609 total for the evening's high with 232 his best game. A feeble 159 in his middle game pulled down the series. Chuck Dunton of Wise's Clothiers took consistency with games of 183, 198 and 226 to pile up 607 for the next-to-high total.

The Clothiers won all three games and four points from the Sabina Oilers, but the Restauranters could win only two games and three points in their match with the Dairyman.

The Warner Servicemen also made a clean sweep and took four points in their match with the Greenfield Merchants.

Henry's Coalmen won two games and added three points in their match with Denton's Implement crew.

youth had not enrolled in the winter term.

Janowicz, who ran, passed and kicked himself into national prominence including the Associated Press all-America team, was contacted in Cleveland. Last night he received the Cleveland Touchdown Club's "outstanding college football player in the nation" award.

He said he found out from an instructor last month that he failed a course in political science. And he added he may have failed another course in botany. These two failures, said Janowicz, would subject him to expulsion from the university.

A NEWSMAN asked Janowicz why he did not pay the fines, pick up his grades and enroll in Ohio State for the winter quarter while in Columbus Wednesday. He replied:

"What do you mean? Pay \$12?"

He said he expected to talk to the Ohio State dean today and find out his standing.

Dr. Stradley explained that Ohio

## Kid Cagers Start Play On Tuesday

They may not draw the big crowds and they may not get so much ballyhoo, but when the kids of the city's five elementary schools take the Armory floor next Tuesday afternoon there will be basketball which has no superior for pure unbridled enthusiasm.

More than 100 boys make up the squads representing the five schools. But the participation does not end there; every youngster in the schools puts his heart and soul in the sport.

Behind the boys on the teams are the rooting sections of the noisiest kind. Their enthusiasm knows no bounds.

And for the rooting sections, there are the cheer leaders. Each school has its own cheers, too—and they practice on them. Out in front of the rooting sections the cheer leaders go through violent contortions as they exhort their rooters to cheer the teams on to victory.

THE YOUNGSTERS have been practicing for several weeks now, with a reluctant holiday intermission, at the Armory under the watchful eye of Fred Pierson, the city school athletic director.

They have the use of the Armory floor on Monday, Tuesday and Thursday afternoons. Sometimes, the squads take over in shifts to make best use of the time.

Pierson now is getting ready to appoint high school athletes—probably football heroes in the eyes of the kids—to act as coaches.

The teams are made up of boys from the fifth and sixth grades, boys 10, 11 and 12 years old. Some of them are pretty small for a game that tends to tall boys, but that doesn't dull their spirits. Some of them even have to go all-out to toss the ball basket-high.

Scores rarely are big, but what is lacking in point-making is made up in speed on the floor.

Tuesday, the Kid League will start a 20-game schedule. All games are slated for the Armory and all are to be played in the afternoons after school, starting at 4 P. M.

Here is the schedule:

Jan. 9	Central vs. Rose Avenue
Jan. 11	Cherry Hill vs. Sunnyside
Jan. 13	Central vs. Cherry Hill
Jan. 15	Rose Avenue vs. Eastside
Jan. 16	Cherry Hill vs. Sunnyside
Jan. 18	Central vs. Eastside
Jan. 22	Cherry Hill vs. Eastside
Jan. 23	Rose Avenue vs. Sunnyside
Jan. 25	Central vs. Eastside
Jan. 30	Rose Avenue vs. Cherry Hill
Feb. 1	Sunnyside vs. Eastside
Feb. 5	Central vs. Rose Avenue
Feb. 6	Cherry Hill vs. Sunnyside
Feb. 8	Central vs. Cherry Hill
Feb. 12	Rose Avenue vs. Eastside
Feb. 13	Central vs. Sunnyside
Feb. 15	Cherry Hill vs. Eastside
Feb. 19	Central vs. Eastside
Feb. 20	Rose Avenue vs. Sunnyside
Feb. 21	Rose Avenue vs. Cherry Hill
Feb. 26	Sunnyside vs. Eastside

State permits any student to apply for reinstatement after one quarter of expulsion. The student's petition must be approved by the university executive committee.

Conceivably, if the all-America halfback has been dismissed, he could be re-instated in the spring quarter which begins in late March. Then if he again enrolled in summer school and made up failing grades, he would again be eligible to play football in the fall.

This would be good news for Columbus football fans, who have taken the Elyria youth to their touchdown-happy hearts.

Janowicz last season performed just about every task but that of the waterboy. At the beginning of the season he called signals, did all of the punting when in the game, most of the passing, and ran and blocked. He kicked off, passed or kicked for extra points, was a field goal expert and the No. one defensive star for the Buckeyes.

## Two Clean Sweeps In Merchant Loop

Knisley's Grocers and the Post Office crew emerged from the Merchants League bowling battles at Bowland Thursday night with three victories apiece.

The Grocers blanked the Producers and the Post Office boys shut out the Mt. Sterling Legionnaires. The Grocers tallied 2615 (without handicap) and the Post Office crew got 2440.

Jeffersonville's Merchants won the first and last games of their match with Pennington's Bakers in a nip and tuck scrap. The Bakers got 2171 pins (without handicap) and the Merchants 2137.

After dropping the opener to the Hawkinson Treaders, Harry's Welders came back to win the last two games.

Wayne Shobe of the Grocers turned in a total of 566 for the high score of the evening. Dick Witherspoon of the Post Office team, with 556, was the runner up.

## Two Unbeaten Teams Go Down to Defeat

(By The Associated Press) Two Ohio college basketball teams fell from the ranks of the unbeaten Thursday night.

DePaul University came from behind in the closing minutes to defeat the University of Cincinnati, 53-52, knocking the Bearcats from the ranks of the undefeated. Cincinnati had won its first six starts.

Defiance college lost its first game in five starts as Ashland college surged ahead in the last four minutes. The final score was 79-74, Ashland.

Long Island University stayed in the ranks of the unbeaten by fighting off a tremendous surge and beating Bowling Green, 69-63.

Muskingum college beat Case Tech., 71-69, with guard Don Simon sinking a long hook shot in the last seven seconds. It was the second defeat in six for Case and the eighth victory in 10 for Muskingum.

La Salle college of Philadelphia defeated Baldwin-Wallace, 86-67, systematically breaking through the B-W defense with a fast, accurate short-passing game.

The University of San Francisco handed John Carroll its sixth straight loss, 64-41. It was San Francisco's sixth win in 10 games.

## 3 OSU Gridders Go into Service

COLUMBUS, Jan. 5— (P) — Three Ohio State football players joined the armed forces yesterday.

Dick Anderson, defensive end from Portsmouth, enlisted in the Air Force. Joe Campanella, defensive tackle from Cleveland, was called to active duty as an Air Force reservist. Gene Geib, center from Fremont, enlisted in the Navy.

Geib has two more years of varsity competition eligibility, while Anderson and Campanella each have one.

### Coach Resigns

AKRON, Jan. 5— (P) — William H. Muir, head coach and freshman football coach the last three years at the University of Akron, has resigned, effective Sept. 1 to enter private industry.

SYNOPSIS  
Was Glendon Coldfield a suicide or was he murdered by a member of his very conservative and literary family to conceal a family scandal? That is the question which the victim's widow, Sylvia Coldfield, asks sublimely-detective Henry Gamage to answer. Gamage plans a bold strategy to rescue Sylvia from the family surveillance under which she is literally said to be a prisoner in the dusty old shop of a Hall, collector of rare books and letters. Gamage turns up a clue which may prove motive for the Coldfield murder. With his trusted friend, Harold, Gamage drives from New York to the Coldfield Hudson valley home. They find the family assembled at dinner. Getting into the house by means of a ruse, Gamage "smashes" Sylvia as she tries to flee out of the dining room. They drive back to Gamage's apartment, where Mrs. Gamage promises to look after Sylvia.

CHAPTER TEN  
THERE was a drugstore on Harold's corner. Harold drew up at the curb, and Gamage got out and went in. He called The Maples; there was no waiting at the other end of the wire. A man's angry, frightened voice rasped: "Yes, who is it?"

"Am I speaking to Mr. Ira Coldfield?"  
"Yes. Who is this?"  
The voice shouted at him, "Are you one of the fellows that got into my house on false pretenses and got a sick woman out of the house and took her away in a car?"

"Would you call it an abduction?"  
"You got into my house—the cook—"  
"Your servants had nothing to do with it, Mr. Coldfield."  
"I know that. You got in by fraud, I—"

"We were there by invitation. Isn't Mrs. Glendon part owner now? But let's not waste time discussing that kind of thing. We're quite ready to go to court if you are—produce her at any time. She has an excellent lawyer, and I'm sure Dalgren would testify. But you know your sister-in-law well enough to know that she dislikes publicity as much as you do—that's why we had to use the methods you say you object to, though I should think you'd be grateful for them."

"Does anybody want publicity in such a case?" growled Ira Coldfield. "I say you'll regret this bitterly—she was under a doctor's care."  
"Not being mad ourselves, we—her friends—are quite willing to bank on Mrs. Coldfield's sanity. My idea is to come up there tomorrow and have an informal talk about the whole thing; and pick up some luggage for her, you know," said Gamage amiably.

There was a silence, then a faint mumbling, and then a different voice—Ames Coldfield's—came thinly over the wire: "This is Ames Coldfield speaking. Mrs. Glendon Coldfield's older brother-in-law."

"Yes, Mr. Coldfield?"  
"Any friend of Sylvia's will be well received in our house, sir, and I wish that you had realized it before."  
Gamage couldn't help laughing. He said, "There seemed to be a little trouble about issuing the invitations."

"How I should love to know the procedure; but let's maintain a civilized approach, since you seem to be a civilized man."  
"Thank you."  
"The whole thing hinges on points of view on what we thought and what you think about my sister-in-law's mental condition. You realize that, of course?"  
"Mrs. Glendon Coldfield realizes that. She makes out a case for you."

"Of course she would. Sylvia is always fair—except where her delusions are concerned. Surely you can see that we would prefer to keep them in the family? Until she had abandoned them? But I agree with you, a conference is always best. No lawyers, of course?"  
He giggled.  
"Only myself."  
"Er—you are not one, by any chance?"  
"Oh, no. A reputable lawyer wouldn't have used our methods," Ames giggled again. "I'm glad you admit so much! Well, then, my brother is very much occupied, and tomorrow he won't be able to get away from his office and up here until shortly after six. Can you be here at six? We feel that it would be more satisfactory to have our whole family present at the conference, and three of us would have to make a special trip to town for it, and the giggle was prolonged—"you know the way."

"I'll be there. If you'll just get a bag or two packed for your sister-in-law?"  
"I promise it."  
Gamage came back to the car. Mrs. Coldfield was still asleep, and Harold standing on the curb beside her window. He and Gamage exchanged goodnights, and Gamage drove off.

Clara said that Mrs. Coldfield probably ought to go straight to bed, that she had every reason to be a wreck. Mrs. Coldfield said that she had slept in the car and wasn't at all tired, and that she wouldn't be able to close an eye until she had told Gamage all about it—she owed him that, at least. Gamage said that he wouldn't be able to close an eye until he'd heard.

"But don't let that influence you," he added. "Sometimes I don't close an eye anyway."  
They were in the office, which had once been the Gamage family drawing-room; a high, long room, with a white moulded ceiling and a white mantle, beneath which a fire burned. Mrs. Cold-

field was warming her hands at the fire.  
She said, "I can't believe it—that I'm out of that house forever. It's very stimulating. Mrs. Gamage, to be free, and not to be waiting, I'd rather tell the story tonight."  
A big tawny chow and a yellow cat were sitting together near the wide doorway, paying close attention. They wanted to know when and where people were finally going to settle down. Clara joined them. She said, "In that case I'll be up in the library. It's awkward to talk to two. When you're ready, you'll find something to drink up there, and something to eat, too. I don't believe you had much dinner, Mrs. Coldfield."

"Not much; in the circumstances I couldn't eat much."  
"Well, I'll be there with the animals."  
But the cat Junior had other ideas when Mrs. Coldfield sat down in one of the leather chairs in front of the fire. He ran over and sprang into her lap.

"Oh, leave him here," she said. "What a nice friendly one."  
"He's rather officious. I'm afraid," said Gamage. "He's trying to take Martin's place, the one that died."  
"I wish they didn't have to die so soon. We couldn't have one at The Maples—Glen and I."  
"He really doesn't bother you?" asked Gamage anxiously. "We don't and Sun went upstairs. We don't like to suppress him—he means well, poor little guy."

Mrs. Coldfield smiled at him as he sat down beside her in the other big chair. "I don't think it will be so hard for me to tell the story as I was afraid it would be."  
Gamage lit a cigarette. Then he said, "Perhaps you'd rather I told it to you."  
She turned to look at him.

"Think I couldn't?" he asked. "Think I don't know?" By the way, the defense has tipped its hand; Ames Coldfield says you developed delusions, and that they were just keeping it all in the family until you got back to normal. So I said I'd go up tomorrow and get some clothes for you and have a conference. I said you have a law-void, none better. But I promised not to bring him along with me, so we're all looking forward very much to the meeting."  
She asked faintly, "A lawyer? I don't think—"  
"Oh, you needn't have him unless you need him. I just retained him so that I could say you had him; I think he's already made himself quite useful. Now for the story; and you must correct me when I go wrong."

Mrs. Coldfield's dark-blue eyes were fixed on his face; she nodded silently. (To Be Continued)

Ham Radio Station Found - -Silenced

MARYSVILLE, Jan. 5.—(P)—WKRG, Marysville's only radio station, is off the air for good. It left the air at 4:44 P. M. (EST) last Friday with a push from the long arm of the Federal Communications Commission. It had been operated with 150 watts power on a frequency of 650 kilocycles by a couple of high school boys and three young men in their twenties.

The FCC stepped in because the youths neglected to do one thing they had failed to obtain a license. An FCC representative spent three days in the Marysville vicinity. He picked up WKRG's programs as far as 10 miles away.

Veteran Schools Are in Jam Again

WASHINGTON, Jan. 5.—(P)—A special House committee today reported widespread irregularities in the \$11,000,000 G.I. education and training program administered by the Veterans Administration.

It said apparently there are

many schools more concerned with "how much money they could make" than with the value of their courses to veterans.

The VA was overcharged in many instances for supplies for the schools, the committee disclosed.

The committee's report is based on a three-month investigation during the recent 81st Congress. Chairman Teague (D-Texas) said the probe is incomplete and he has asked the new 82nd Congress to keep it going.

140 Overloaded Trucks Caught near Columbus

COLUMBUS, Jan. 5.—(P)—The state highway patrol reported today it had made 140 arrests since 10 P. M. Monday when it established a truck-check at its weighing station on U. S. Route 40 at LaFayette, west of Columbus.

The patrol reported overloads up to 8,000 pounds had been found during the check. Fines for the operators of the over-loaded vehicles ranged from \$25 to \$150.

## 1,004 Placed In Jobs Here During 1950

Placements Upped  
10.5 Percent Over  
Those in 1949

During 1950, the Washington C. H. Ohio State Employment Center made 1,004 job placements, Ward C. Miller, manager, reported today.

This was an increase of 10.5 percent over 1949.

Miller said 36,409 visits were made to the local office during the year. These visits were made by individuals making applications for work, filing claims for unemployment benefits, and employers seeking qualified workers, or requesting information about the labor market, counseling and supervisory training services offered.

Of the total placements, 274 were women, 166 veterans, and 21 handicapped. A total of 622 new applications for work were processed during the year, of which 119 were veterans, 291 were women, and seven handicapped workers.

The Washington C. H. Ohio State Employment Center offered full-time counseling services to assist workers to determine their occupational abilities.

This service helps all job seekers, especially disabled veterans and other workers with occupational adjustment problems to learn the type of work for which they are best fitted.

In the field of employer relations, there was a total of 501 contacts made during the year. Despite a surplus of some types of workers, there remains an insufficient supply in certain particular skills, such as machinists, nurses, experienced dairy hands, and clerical workers.

The local employment center operates a complete farm placement section, with Frank E. Michael, farm placement representative. The purpose of the section is to service all types of employers and applications for employment from all types of workers, even though jobless benefits are payable only to workers of covered employers.

Generally speaking, jobless benefits are not available to agricultural, domestic, educational and government workers.

Miller invites all employers and all job seekers to use the local employment center, a part of state government offering services without charge.

## No Word Received About Stolen Auto

So far no word has been received of Chester Dunn's automobile, which was stolen from the west side of North Fayette Street, opposite the Legion Hall, Thursday night.

Usually stolen cars are heard from within 48 hours after they are stolen. However, in the past few years two cars have been stolen in the county and never heard from again.

## Two Drivers Cited In Police Court

Police arrested one driver and the state highway patrol picked up another for hearings Thursday in police court.

Jerry Humes, 31, of Washington C. H. was taken into custody at 12:55 A. M. Friday on a charge of operating a motor vehicle while intoxicated.

Milo Hickman was cited by the state patrol for passing a school bus while it was unloading children on Route 62.

Humes posted \$150 bond.

## Funeral Services Held For Elwood Gilmore

Funeral services for Elwood Gilmore were held at 2 P. M. Thursday at the Kirkpatrick Funeral Home.

Rev. Arthur George read the obituary and delivered the sermon, and Rev. Henry Leeth read the scripture and offered prayer.

Mrs. W. H. Knisley and Mrs. Arthur George sang the hymns "Will The Circle Be Unbroken" and "Know Not One." Mrs. W. H. Knisley accompanied on the piano.

Burial was made in the family lot of the Washington Cemetery.

## Mongold Held over To Grand Jury Here

Harold W. Mongold, 18, who has admitted burglarizing two service stations here, was held over to the grand jury, with bond fixed at \$1,000 Thursday, when arraigned before Court Justice Richard R. Willis.

The burglaries took place at the Standard Oil Service Station at the corner of Court and North Streets and at the Sinclair Service Station near the city limits on North North Street.

Unable to furnish bond, he was taken to the county jail to await grand jury action.

## Services Are Held For Gus Schrader

Funeral services for Gus Schrader, who died of injuries sustained when he was struck by an automobile on the Chillicothe Road Christmas eve, were held at the Gerstner Funeral Home Thursday at 2 P. M. with Rev. Lewis T. Rugh, pastor of St. John's Lutheran Church of London, in charge.

Rev. Rugh gave the Lutheran funeral ritual and paid a personal tribute to Mr. Schrader. He also read the hymns "In the Garden" and "Abide With Me".

Mrs. Marian Gae was at the piano for the opening and closing of the services.

There were many lovely floral tributes, which were cared for by the pallbearers who were John Deiber, F. J. Shadley, Ray West, Joe Storer and Henry and William Schrader.

Interment was made in the mausoleum of the Washington C. H. Cemetery.

## Foreign Panel To Appear Here

Public Invited  
To Hear Discussion

Announcement was made today that a panel of foreign students from Ohio State University will make their appearance here Jan. 16 through the sponsorship of the city and county schools.

Civic leaders here say that the students will be outstanding, and their moderator, J. P. Schmidt will demonstrate why he is considered one of the outstanding panel leaders in the United States.

The students are being brought here in the interests of international peace. The committee planning their visit here points out that the students will help Fayette County residents to better understand peoples of other lands.

Both the city and county high school students will have an opportunity to hear the members of the international panel talk.

City high school students will hear the panel members at 10 A. M., Jan. 16 while the county students will sit in on one of their sessions at 2 P. M. on the same day.

At noon Jan. 16 the Ohio State foreign students will appear before the Washington C. H. Rotary Club.

The general public will have an opportunity to hear and see the international students in an open discussion at 8 P. M. Jan. 16 in the high school auditorium.

Arrangements are being completed now for the students from Ohio State to pay the city a visit. They are much in demand throughout Ohio.

## Hunter Is Injured In Fall from Tree

Floyd Simmons, 49, bridge construction workman employed by the D. T. & I. Railroad and residing at Greenfield, had both bones of his left leg broken below the knee when he fell from a tree while coon hunting.

Monk Richman, who was hunting with Simmons, carried Simmons some distance to a farm house. He was later removed to the Chillicothe Hospital.

Simmons had shot and killed a raccoon which dropped and became lodged in a tree. Simmons climbed up to retrieve the animal and fell 20 feet to the ground.

## Funeral To Be Sunday For Mrs. Lida Jane Imler

Funeral services will be held Sunday at 3:30 P. M. in the Deferbaugh Funeral Home for Mrs. Lida Jane Imler, mother of Mrs. Dana Kellenberger of near Washington C. H.

Mrs. Imler, the widow of Henry Clay Imler, was born near Circleville where she spent most of her life.

She is survived by two other daughters, Mrs. Roy Bainter of Lancaster and Mrs. Ralph Kerns of Circleville and one son, Henry C. Imler of Whisler. There are two sisters and one brother who also survive.

She will be buried in the Prairie View Cemetery.

Friends may call at the funeral home any time after Saturday morning.

## Hitch-hiker Hunted

(Continued from Page One)

Oklahoma City Saturday. He fled with \$100 and was seen later boarding a blue car bearing Illinois license plates.

The family left the Atwood, Ill. farm home last Friday to visit Mosses' twin brother Chris, an army lieutenant stationed at Albuquerque, N. M. He joined the search yesterday.

Two Tulsa motorists reported they were hailed by a man in the Mosser car Tuesday. He asked help to get the vehicle out of the roadside ditch where it was found abandoned 24 hours later.

One of the men gave him a lift to a drugstore. He left here in a taxicab, clerks said.

His description generally parallels that of the Oklahoma City hitch-hiker.

Especially puzzling is the Mosser car's speedometer reading. It reads 18,601 miles. A sticker placed on it when the vehicle was serviced in Illinois last Thursday shows 15,500 miles, a difference of 3,101 miles. Atwood is slightly over 600 miles from Tulsa.

son Farm will arrive in the county Saturday to aid in the investigation.

Dr. Klakenstein revealed that the woman's skull was intact but that a few of the bones of the hands and feet were missing. He took several soil samples under the remains for analysis.

The discovery by two hunters of the Cleveland woman's remains yesterday on the farm of her husband, Emil Pawek, cleared up a mystery that has annoyed authorities here and in Cleveland since July 15.

That was the date that Mrs. Pawek was last seen by friends as she was about to enter her husband's farm house to get furniture. At the time, the Paweks were divorced.

Pawek, a well-to-do machine tool designer now working at Tool and Gages, Inc. in Cleveland, said he saw her that day, too, but not again.

The final identification was made last night by Mrs. Caroline Beading of Zanesville, a niece whom Mrs. Pawek had reared from childhood.

She collapsed after viewing the remains, and contents of a suitcase and a handbag.

Two hunters--Thomas, 34, and Charles Chestnut, 31, brothers--discovered the bones strewn over a 20-foot section on a hill side yesterday afternoon.

Attorney Edward M. Koppelman, who represented Mrs. Pawek in her divorce, said the \$500 reward offered by relatives still stands.

## Price of Meat Still Going Up

Many Vegetables  
Are a Little Lower

(By The Associated Press)

Retail prices of many beef and pork items and most chain store bag-packed coffees climbed a little higher in this first week of the new year. Eggs and several fresh vegetables were lower.

Advances in beef cuts ranged from one to six cents a pound, while loin chops and other popular items were as much as 10 cents a pound higher in some places. The increases had been expected because of higher wholesale prices last week after storms reduced shipments to livestock markets. Veal and lamb held about unchanged at retail.

Major store chains hiked their bag-packed coffee brands two cents a pound, citing higher green coffee costs in the past few weeks. Large independent roasters of nationally-advertised canned coffees--marked up last month--made no new adjustments.

Retail grades of eggs declined two to four cents in most marketing centers. Poultry was about unchanged and butter edged a cent or two a pound higher in scattered sections.

**Vegetables Lower**

Of the fresh vegetables, spinach was marked down the most as shipments from Virginia and Texas improved. Also lower: beets, snap beans, cauliflower, pascal celery, escarole, big Boston lettuce, peas. Most oranges, pink grapefruit and pears also edged a little lower. Cabbage, "golden heart" celery, cranberries, cucumbers, grapes and best tangerines were slightly higher on many produce counters.

Butter was removed from list of government surplus foods for sale and the Credit Commodity Corp. announced it had scarcely enough left to meet earlier sales commitments and provide for the school lunch program.

The Dun & Bradstreet wholesale food price index advanced to \$6.93 this week from \$6.90 last week, was nearly 21 per cent higher than a year ago and highest since mid-September of 1948. This index has not declined since last October 10, when it was \$6.48. And this week's figures compares with \$5.96 just before the Korean war began. The

## Leesburg Post Office Receipts Were \$140,356

Due to the large mailing business of a hosiery company, receipts of the Leesburg Post Office the past year reached \$140,356, a gain of \$31,974 over the 1949 receipts.

The amount is \$25,233 more than the Washington C. H. Post Office receipts for 1950.

reach 18 during the next fiscal year beginning July 1 and about 800,000 of these could be expected to meet physical requirements for military service, Larkin estimated.

He said the Defense Department's manpower proposals do not envisage the drafting of any women.

Larkin said the Defense Department is working out its own proposed manpower law and that undoubtedly selective service and other agencies will submit their own ideas to Congress.

The Defense Department proposal, he said, would permit 17-year-olds to enlist with their parents' permission; 18-year-olds would be automatically eligible for the draft as soon as they had completed high school. He added that those who reached 19 and were still in high school would "probably have to be yanked out."

Larkin said 18-year-old draftees would not be sent overseas until after they had completed their full basic military training.
